25X1 1. Discussed with Al Westphal (House Foreign Affairs Committee staff) our proposed letter to Senator J. W. Fulbright (D. Ark.) on our [redacted] proposal for the foreign aid bill. Westphal saw no reason for them to see the letter, but suggested minor changes in the sentence referring to Chairman Morgan. These changes were made and the letter will go forward to the Director for signature.

25X1 2. [redacted] (DD/P) Liaison Officer with the Pentagon called to say that Senator Albert Gore (D., Tennessee) had raised a question with Secretary of Defense McElroy about the Senate Foreign Relations Committee session which [redacted] felt might be of interest to the Agency. Arrangements were made for [redacted] to discuss this matter with Mr. Warner in the Pentagon. 25X1

He also felt there were complicated questions of jurisdiction and venue involved. The Agency comment on this bill will be finalized in the next few days. 25X1
